Customer Reviews

Excellent 2 cassette set that utilizes music, subliminal persuasion and self-hypnosis to effectively train your subconscious to learn the material.

Really helps you relax.

I first purchased this audio cassette in 1985 and found it to be the best investment I could have made. I have misplaced that first tape and am so pleased to have found it again. I used the night version mostly as my corporate position was very stressful. I highly recommend this fabulous audio cassette.
