Synopsis

Michael has moved on, can his Justice Enforcer make a difference? Does the Sun come up in the morning? The New York City-State wakes up and their world has been shaken to its core. The Enforcers have been scattered, but they aren't finished. This vampire is but a bump in their road to keeping the city-state in the hands of the CEO's. The Were's are involved, some leave, some stay and new alliances are made and an old one broken. However, in the end, it always comes back to heart and determination. Something that you often have to find for yourself, when life beats you down and Valerie is made of the right material to see it through. Claimed By Honor is part of The Kurtherian Gambit Universe. ** As noted in other series set in the Kurtherian Universe, there IS cursing in this book, occasionally, it's funny, too. ** Kurtherian Gambit Series Titles Include: First Arc Death Becomes Her (01) - Queen Bitch (02) - Love Lost (03) - Bite This (04) Never Forsaken (05) - Under My Heel (06) Kneel Or Die (07) Second Arc We Will Build (08) - It's Hell To Choose (09) - Release The Dogs of War (10) Sued For Peace (11) - We Have Contact (12) - My Ride is a Bitch (13) Don't Cross This Line (14) Third Arc (Due 2017) Never Submit (Jan) (15) - Never Surrender (16) - Forever Defend (17) Might Makes Right (18) - Ahead Full (19) - Capture Death (20) Life Goes On (21) ** New Series ** The Second Dark Ages The Dark Messiah (01) The Darkest Night (02) Mar 2017 Darkest Before The Dawn (03) July 2017 Light Is Breaking (04) Nov 2017 The Boris Chronicles * With Paul C. I have never been much of a fan of collaboration because I felt it often took away from the main story line. However, in reading the ones in the kurtherian universe I find that they add to the main storyline in unexpected ways. We get to see how other people see Bethany Anne and Michael. How their perspectives change when they meet those that become legend. The humanity of these characters and therefore the ability of the readers to be able to relate to them is something that is often missing from Supernatural or Science fiction books. I for one am looking forward to reading more about Valerie's adventures. Keep up the good work!!! ;-)

This book has it all...romance, drama, mystery, suspense, comedy...you name it! It's an intense combination of everything you could ask for in a book and more! Valerie kicks butt and is fiercely dedicated to saving the city, Diego has a unique charm all his own, Cammie is ferocious and Sandra wants to protect those she loves. Each of these characters are my hero! You step into their world, you fight with them, you love with them, you cry with them! You become them! They are the characters you want to embrace. That's how well this book is written! Once you start it, you want to shut out the real world till you read the very last page. It's a definite must read!

Ok, this collaboration is one of the best. I have been following this series and it's multiple offshoots since I first found Michael on . Justin gets this universe and with Michaels help the storylines are seamless. Don't worry Michael, I already know my IQ is higher than most of the haters out there. What they want to torture themselves with doesn't bother me and I am sure, most of your other fans as well. Jealousy is just another form of self-hate.

Two books into this series and already it us getting pretty addictive. Curious to see what kind of skills Valerie is going to discover and how she is going to grow as a leader. Right now she got dropped into a mess where everything is reacting to the next problem, hopefully she will get the city calmed down enough to make solid plans to go after the CEOs. The search for Michael makes a teasing back story that you really want to see how it ends.

I loved the first book and the second one did not disappoint me. The story line is fast paced and the action is fast and deadly. I am looking forward to reading the next book in the series. The author makes his characters grow and continue to explore new sides of each one. I hope you enjoy the book as much as I did

I really like the writing style Justin Sloan has and the way he can bring a character to life. This is a great series from the awesome world of TKG. BUY THIS BOOK!

I normally don't buy books but I have bought both if these. I love the Kurtherian Gambit books and Justin fits right in.

Valerie is a wonderful character and this spinoff offers a lot of what I expected in the kurtherian universe keep it up and I will keep reading
