The Night Before My Birthday

Synopsis

The Night Before My BirthdayÂ Â captures all the excitement and anticipation that every child experiences in the lead-up to their special day. The decorations are up, the table is set, and the food is ready - but what happens when there is an ice cream emergency? Once again Natasha Wing has written a story that is sure to appeal to every child getting ready for a birthday. The book is told by and seen through the eyes of the birthday child, so it is gender neutral and a fun gift for any birthday girl or boy.

Customer Reviews

Hello fellow Aquarians! My birthday is February 7th and you bet I think it's a special day. And so is your birthday. So start celebrating the night before your birthday with my new book. Not even a cat or ice cream disaster can stop a party from happening.

Natasha Wing was born in Milford, Connecticut, and now lives in Fort Collins, Colorado. After graduating from Arizona State University she married Daniel Wing and worked in advertising for a number of years. It wasn't until 1991 that she decided to write children's books. Luckily she sold her first book within six months and has been writing children's books and articles ever since.

Very cute story. I will be reading this to my daughters class in a few weeks and I'm positive the children will like the story.

We loved this book! My daughters 6th birthday is coming up and she couldn't wait till the actual night before to read it :)

These books are always fun to read to my daughter regardless of her age. I am trying to collect them all.

My daughter loved this book. I love the series

My son loves this book so much! It helped him get excited for his party and he wanted to read it over and over!

Omg we love this book. We have her first big birthday party coming up this weekend we have been reading this book every night leading up to it she is beyond excited. She is 3 turning 4. She even quotes the book.

Great gift. The kid loved it.

Cute story! Have this to my granddaughter. Illustrations are great!
