Nice book easy to understand.Great exercises to practice what you learn in every lesson. Highly recommend it. The CD is also nice. I downloaded it into my itunes and I listen to it as I advance in

my learning!

good product good price

As described

I received this item on time, but when I put the CD in the CD player it would not play. I tried it in my laptop, my daughter's laptop, my wife's laptop and my desktop tower. It would NOT work in any of them. TOTAL WASTE OF MONEY. I need to find out either HOW to get a replacement disk or get my money back.

Compact and easy to follow.....

This disc and book were useless to me as it was all in Italian. When I ordered it, the description was in English and so I thought it would give phrases in Italian, and repeat in English -- and then visa versa. Not so, so I returned it.
