Customer Reviews

Franklin is a beloved character from my 3 year old daughter's library which she inherited from an older friend who enjoyed these stories for many years! Delightful, touching, intelligent stories and lessons without being too silly or pat, each adventure and chapter in Franklin's journey is always a pleasure to read again and again at bedtime or on long car trips.

Love Franklin! Movies, books are all great

Franklin had a great experience on his first day, so it was a great book for my children for a positive

outlook on school.

This is a very cute book for kids that are just starting school, or even for a new school year. My children enjoyed it!

Eli loved the story. Very helpful with their anxieties starting school or any new venture in life. Very educational and interesting.

Good book!
