Customer Reviews

Wilson's fifth cookbook accompanies his new series currently running on PBS. He includes recipes for some 300 Louisiana favorites, from Crawfish Salad to Pralines, most of them fairly well known. There are few surprises here, but Wilson's previous TV series have made him widely popular; buy for demand. Copyright 1990 Reed Business Information, Inc.

Justin Wilson's Homegrown Louisiana Cookin'; In Justin Wilson's Homegrown Louisiana Cookin', Justin Wilson serves up a lipsmackin' collection of recipes from the heart and soul of Louisiana. From the basics (how to make a roux, how to crack a crab, how to clean crawfish) to Justin's house specialties (Deep-fried Turkey, Justin's Succotash or Something, Oysters Justin, Mama's Fried Chicken), Justin tells you everything you need to know to cook the Louisiana way—with flavor, gusto, and good friends. These new recipes are

for every part of the meal, from breads hot from the oven (Buttermilk Biscuits, Rice Bran Muffins, Corny Hushpuppies) to desserts that will make your sweet tooth ache (Pralines, Sweet Potato Pie, Pecan Cocoons). There's even a special chapter on preserves in which you can learn to make your own Louisiana hot sauce and a section on boiling seafood. So pick up Homegrown, take it home, put on your apron, and be prepared to enjoy!

The. Flavors. Continue. And. The. Food. Remains. The. Same

very nice, remembering an old friend

I remember watching Justin Wilson years ago on Public Broadcasting and I always enjoyed not only his cooking but also his story telling. In this book you get some of both. Great cajun recipes and instructions. I would recommend this book to any serious cook who wants to experience true cajun/ creole cuisine. Does not include that many pictures of the food but it does give you step by step instructions to make complicated items like roux, fried turkey, etc. This is a must have in any recipe book collection. As Justin Wilson would say "I gar-an-tee"

One of the best cookbooks I have ever read. Great stories and descriptions of the food.

Love it!

This guy is definitely a cook, not a chef, but the book reminds us of his tv show and the stories that he told. We really enjoy it!

Great classic cookbook to give u all the basics. A good go-to. Very easy to read recipes. Definitely a keeper.

I miss Justin Wilson's cooking show on PBS... But this cookbook is the next best thing. Thanks!!
