The Bible App For Kids Storybook Bible

Synopsis

The Bible App for Kids Storybook Bible is an all-new, delightful-filled Bible experience designed to help your children fall in love with God's Word. Based on the most downloaded Bible story app in the world, the Bible App for Kids Storybook Bible brings the Bible to life for your whole family, with colorful illustrations and engaging storytelling. You'll thrill to see God part the Red Sea for Moses and the Israelites as they flee their Egyptian pursuers. When the baby Jesus is born, you'll rejoice with the angels as they fill the sky to herald his birth. You'll marvel as Jesus feeds five thousand people, miraculously multiplying five loaves and two fishes offered by a little boy. The Bible App for Kids Storybook Bible features 28 quintessential Bible stories that are easily understood by children but enjoyed by entire families. BibleAppforKids.com

Customer Reviews

"The Storybook Bible is a must-have for families with young children. What a beautiful way to introduce your kids to the Word of God. We pray this beautiful Storybook Bible will be a blessing to millions of children around the world." — Mark Burnett and Roma Downey "When a young child begins to understand the essential truths from the Bible, it's a game-changer that will impact his or her life forever. The Bible App for Kids Storybook Bible has the potential to help children around the world develop a love and longing for God's Word. I'm especially grateful for the partnership with OneHope and so many others that makes The Bible App for Kids Storybook Bible possible." — Craig

Groeschel, Senior Pastor, Life.Church "The Bible App for Kids Storybook Bible offers another great way to delight children and adults alike. With charming, graphic illustrations and simple, direct storytelling, this book distills the power of God's Word into a fun, easy-to-understand collection of biblical stories. Based on the popular app that's been downloaded by millions worldwide, this book will touch the heart of every reader." — Chris Hodges, Senior Pastor, Church of the Highlands, Author of Fresh Air and Four Cups "The Bible App for Kids Storybook Bible is a great way to engage with your kids in Bible reading by bringing stories from The Bible App for Kids to print. OneHope does an amazing job of finding ways to connect kids around the world to the Bible and show them the purpose God has for each one of us." — Joe Champion, Lead Pastor, Celebration Church, Austin, TX "One of the great needs today is for children to get to know the truths of the Bible. Our friends at YouVersion have once again provided us with a powerful resource to help children engage with God's Word. The Bible App for Kids Storybook Bible is an amazing resource that will help connect children with some of the best-loved stories of the Bible." — Dr. Geoff Tunnicliffe, Chairman, Christian Media Corp Int., Former Secretary General, World Evangelical Alliance "What a blessing to see God's Word come alive for so many kids and families through the Bible App for Kids, and now the Storybook Bible. God's Word never changes, but He gives us the wisdom and creativity to put the timeless message of the Bible into formats that speak directly to the hearts of millions. This beautiful book will help many children, and their families, to fall more deeply in love with God, as they get to know his Word." — Kevin Palau, President, Luis Palau Association "Wycliffe Bible Translators believes every person deserves access to Scripture in the language they know and understand best, and that goes for children as well as adults. In presenting many of the stories we've come to enjoy in the app in this new hardback collection, The Bible App for Kids Storybook Bible gives children a beautiful introduction into the timeless truths of Scripture." — Bob Creson, President/CEO, Wycliffe USA "The greatest fight parents and grandparents have involving their kids is for their attention. The Bible App for Kids Storybook Bible is the perfect special gift to plant the seeds of "God Thoughts" into impressionable young minds. Rediscover purpose for tucking those kids to bed and read a story and ask a question. Buy this book and engage the minds of those kids God's entrusted to you." — Dr. Mike Rakes, Author of Slings And Stones "The Bible App for Kids Storybook Bible will bring the Bible to life for all children of any age. I have seen what the Bible App for Kids has done for my own children and now it is available in print!! This new Storybook Bible is a game changer." — Benny Perez, Lead Pastor, The Church LV "As someone who creates digital media for a living, I'm proud to endorse the Storybook Bible App for

Kids as well as the new print version. Professional in every way, brilliantly told for children, and shares the great truths of the Bible at a level young children understand. I highly recommend it to every family." — Phil Cooke, Ph.D., Filmmaker, media consultant, and author of "Unique: Telling Your Story in the Age of Brands and Social Media" "As a child it was a storybook Bible that made God's Word come alive for me. The Bible App for Kids Storybook Bible takes it to a whole other level. This creative approach will help our kids learn to love the Word of God. If you want to create a hunger in your kids for the Bible, get them this Bible. It will shape their lives forever." — Todd Mullins, Senior Pastor, Christ Fellowship

God's Story is the most important story anyone can hear! Did you know you are God's most treasured creation? God loves His people and wants to have a relationship with each one. The Bible App for Kids Storybook Bible features 28 stories that build the exciting narrative of God's Story: from creation, to the introduction of sin, Jesus, the cross and resurrection... and stories of God's faithfulness and love in between. Are you ready to read God's Story?

We love this Kid's Bible and it is a welcome companion to the Jesus Storybook Bible, our family favorite. Great text, colorful, clear, and theologically on spot.

With 416 pages that share 28 of the same Bible stories and images that are found in the app, this is a wonderful companion piece to go alongside the free app. Like many parents, I want to limit screen time for my son and this allows me now to do this without limiting his meaningful engagement with God's Word. I am grateful to You Version and OneHope for making this available. Going to be recommending this to all my friends and family--and highly recommend it to you.

Our family LOVES the Bible App for Kids, and our kids were so excited when they saw that their favorite app was now a book! I can't wait to incorporate it into our nightly bedtime story routine. Thank you YouVersion and OneHope for giving parents like us great tools to help our kids fall in love with God's Word!

Reading it to my 9yr old son and 13yr old daughter at bedtime. They are both really enjoying it even though my daughter knows the stories. I love the question at the end of each chapter. Its a great way for my son to tell the story in his own words. At each attempt to stop for the night and they ask meach to read just one more. We talk about what the stories mean. The artwork is great too. I am

glad this book helps them to learn more about God and Jesus while helping us to be closer as a family.

I can't give this enough stars! Bright colorful pages with fun, vivid illustrations and large print the kids can follow along. It tells the Bible in a very accurate yet age appropriate way for kids to understand. I can't rave enough about this! Three problems solved for me: 1 My son would rather watch a movie than have bed time stories--- until this arrived! 2 he was uninterested in other versions I've tried--until this one. He won't let me put it down. 3 even with children bibles I still struggled to "edit" it into age appropriate terms! -- not with this one. It has opened up discussion with my son and me. It has questions for the Parent to ask the kid for a very interactive approach.

I worked at a popular book store... other books as nice as this were just too expensive and still not accurate enough. I found the story book bible to be perfect! Very affordable. The illustrations are great; very colorful and attractive for kids. The font is fairly large and easy to read/understand. The size of the book is just right! The only negative I find is that the corners of the covers are not rounded, so I can't let my baby handle the book too much. And most important for us is that it is the most accurate we've been able to find - it displays the true ethnicity of our savior, Yeshua, and the rest of our ancestors in the stories.

I bought this book to give to my grand daughter because she really likes the web version of all the bible stories. So, when this hardback version came out I immediately got on and ordered it. It wasn't quite ready to be released but as soon as it was, I received it well ahead of the promised delivery time. Now, I can read to her at bed time without having to have anything electronic.! The artwork and pictures are just like the online version and all the Bible stories are great to teach little children. It has refreshed my memory of the Gospels as well. You will love this book, buy one or more and you can share them with all your kids and grand kids. The price is unbelievably low.

We have another Bible that I was enjoying reading to my kids, but I realized a lot of it was probably over their heads and would be better for the 7-10yr range. So when I came across this Bible in one of our children's classes at Church I fell in love with how simple it was and perfect for the 2-6yr range. My kids are able to understand the words and stories as a whole as well as the fabulous illustrations.
