The 50 Best Dives In Micronesia: The Ultimate Guide To The Essential Sites

Synopsis

This book gives you full details and great images of the best places to scuba dive across the vast expanse of the northwestern Pacific Ocean known as Micronesia, covering such famous locations as, Palau, Truk Lagoon (Chuuk), Yap and Guam and less well-known but just as wonderful destinations like Kosrae, Pohnpei, the Northern Mariana Islands and the Marshall Islands. Author and photojournalist Tim Rock lives in Micronesia and travels and dives the islands frequently. Here, he gives the reader insight into both the popular sites and those that are a little off-the-beaten-path. He writes about not only the main islands, but the outer reefs and remote atolls too. This is not just a great reference book, it's a fun adventure. Page through and imagine diving all the fantastic sites, seeing astonishing seascapes, visiting sunken historical relics and gazing at the amazing marine life and fantastic corals. The whole of Micronesia seems to consist of one top bucket list after another. This is a great new concept from a veteran dive author and photojournalist. Full color throughout with over 200 photos and maps, the book is the first of a series that will include The 50 Best Dives in the Philippines and in Indonesia.
