# Captured By The Highlanders

## Synopsis

With their villages threatened by a powerful duke, Callum MacGregor and his companions Jacob and Kieran set out to capture an English noblewoman in the hopes of forcing their cold-hearted enemy to the bargaining table. Their plan goes badly awry, however, when the beautiful young lady they take captive turns out to be an Irishwoman who was herself being held prisoner. Though she is thrilled to be free from the hated duke, twenty-five-year-old Bridget O'Kenney quickly discovers that her unwitting rescuers will demand her obedience and will not hesitate to strip her bare and spank her thoroughly should she fail to do exactly as she is told. In spite of her situation, Bridget is intensely aroused by the stern dominance of the three handsome Highlanders, and when they claim her--first each in turn and then all at once--the pleasure is more intense than she would have thought possible. Callum, Kieran, and Jacob soon make it clear that they would like Bridget to belong to them forever, but can they keep her out of the hands of the duke who continues to pursue her? Publisher's Note: Captured by the Highlanders includes spankings and sexual scenes. If such material offends you, please don't buy this book.

## Customer Reviews

Bridget has to escape from the evil clutches of an English Duke after being taken hostage in Ireland, the sole reason being that the English ensure his army fought on the side of England. His army's army. This spirited little scrap of a woman ends up in the hands of three Scottish Highlanders actually pretending to be an English lady so that they would take her as hostage, preferring the unknown captors clutches to that of the evil Duke. Callum, Kieran and Jacob and their prisoner begin their long trek to Scotland where they will use their hostage to prevent their Clans from being thrown off land that their families have farmed for hundreds of years. However they soon realise they have been duped when their tiny captive in a temper tells them exactly what she thinks of them, they realise immediately that she is in fact Irish, what are they going to do? They all soon realise as they are on the run trying to stay safe that this "pint pot" woman is a very precious individual, she is falling in love with each of these three brawny, handsome men and they enjoy disciplining and loving her until she can barely stand up. And she loves every minute of it. The Duke however is determined to capture Bridget and then under his own form of punishment ruin her and then when he and his men had finished give her back to her family who would have no choice but to disown her, turn her away from her home and all that she knows. This was a wonderful story the characters were each so very well written, the punishments and subsequent loving were exceedingly steamy and Hot! Hot! Hot!. You will laugh out loud also cringe at some of the discipline, but without a doubt once you start you won't be able to put this book down until you reach the end. I received this book from Stormy Night Publications as an advanced reader copy. I thoroughly enjoyed the book and look forward to reading any future publications; keep up all the great writing.

To make a long story short, Katie Douglas has a gift for writing menage. Whether you're new to her work or looking to get your hands on her most recent novel, do yourself a favor and pick this one up! The spankings are deviously wonderful (and plentiful!) and the sex is truly scorching! When Bridget ends up in the hands of her three Highlanders, they know just how to keep her in line - and give her love and tenderness as well. This one is a quick read - perfect for a lazy morning curled up in bed or a rainy summer afternoon. Enjoy!

Here is a story that will make a hot summers morning even hotter. This is an excellent historical RH story, for anyone who looking for one. I was gifted an ARC copy of this book from Stormy night

publication with the promise of a review. Also I willingly reviewed this book.

Bridget was captured by the duke due to family issues. She runs away and falls into the hands of three Highlanders. They are looking for an English woman and Bridget is Irish so she lies to them about her identity. When they learn of her lie she gets a well-deserved spanking. She finds though the spanking hurts, she is quite turned on. This book was sizzling with some cleverly done spankings. Awesome love scenes too. Whew!! A great read and I most definitely recommend. I received an ARC from Stormy Night Publications for an honest review.

This book is hot! I mean, seriously smoking hot! Three huge handsome Highlanders rescue/kidnap Bridget, and her life is turned upside down. The spanking and discipline scenes are creative, detailed, and lengthy. It's a wonderfully described ménage fantasy. I received this book from Stormy Night Publications as an advanced reader copy.

The madcap adventures of Ms. Douglas' wonderful characters will keep you interested and turning the pages. It's a fun, irreverent sexy romp with some laugh out loud moments, eye rolling scenes and a menage love story. A fabulous good time of a read. I volunteered to read and review this book for SNP.

Bridget was running from the duke, only to fall into the arms of three handsome strong men. What started out as a seduction ended up as a spanking. This is a great book, Katie as always has nailed it. I would thoroughly recommend this book to anyone. But beware you may need another set of panties lol
