Jesus Is: Find A New Way To Be Human

Synopsis

A New York Times Best-Seller! Jesus is _____. How would you finish that sentence? The subject is there, and so is the verb, but what comes next? Your answer could shed light on the path to becoming who you were made to be. In these pages, Judah Smith fills out that sentence again and again, each time further revealing the character of Jesus. He writes as if to a friend, illustrating the importance of Christ's message to modern men and women. This is a book for new believers, for lifelong followers, and for the merely curious. Judah Smith shows us the Jesus that somber paintings and hymns fail to capture. With passion, humor, and conviction, he shows that Jesus is life. Jesus is grace. Jesus is your friend. Jesus is a new and better way to be human.

Judah Smith is the lead pastor of the City Church in Seattle, Washington. The City Church is a thriving multisite church noted for its cultural relevance, commitment to biblical integrity and faith, and love for Jesus. Judah is known around the United States and the world for his preaching ministry. His fresh, practical, humorous messages demystify the Bible and make Christianity real. Judah is also the author of the New York Times bestselling book *Jesus Is _____*.

YES! Yes! YES! This book is amazing! From the first chapter, I'm having to put it down and argue with myself about how I've messed myself up and let my own thoughts and judgements pull me away from the Jesus of the Scriptures. It is beating me up, and yet I can't put it down! I tried to challenge myself to pick one quote from each chapter and I simply can't. There are too many deep,

powerful truths in this book. I can't say it enough: BUY THIS BOOK!

This is one of the most absolutely life changing books I have ever read. And I've read a lot of books. Smith's writing is compelling, funny, and personable. He has a gift for making you laugh while also helping you see the truths in God's word with perfect clarity. I cannot recommend this book enough. This book and CS Lewis's "Mere Christianity" are absolutely vital for any Christian, new or old or in-between. I've already bought this book 5 or 6 times because I keep giving my copies away to friends who all say the same thing. Seriously, it's awesome.

By far one of the best books I've ever read - definitely in my top 3! Pastor Judah lays out an amazing teaching of grace that, even growing up in church, being an active volunteer, and even a pastor myself for almost 10 years, has revolutionized the way I see God and how I understand grace. It is so simple that we miss it so easily because we want complicated, we want to "earn" it. This has changed the way I live, the way I think, the way I minister and pastor, the way I teach about grace . . . Everything! Thanks Pastor Judah, for bringing us back to the simplicity of grace. Great book for beginning believers, and teens. This was actually my first theology book. Read it a while ago, but still it has had an amazing effect on my life. I've borrowed this book to people, and everyone who has come across it loved it.

I'll be honest, I was not familiar with Judah Smith until I saw him at Women of Faith last summer and I was so impressed by his refreshing and "real" personality. I was thrilled to hear he had a book that I could purchase and continue to crack and enjoy his personality. Such a wonderful book!

I am reading this book again because there is so much revolutionary thinking I didn't absorb a good portion the first time around. I have given away so many copies to my friends who are recovering from a less than stellar church experience. Judah is easy to relate to and presents so many "Ah ha" moments you will wonder why you didn't see these things sooner! And I have a theology degree! Highly recommended for anyone who has been part of an organization that loudly promoted being independent and fundamental or made a big ta-doo about anything other than Jesus.

This book is a wonderful book for new Christians and even for non-believers wanting to quickly learn

what the essence of belief in Jesus' death & resurrection is really all about. It can also be a good read for Christians, like myself, who spent years trying to understand deeply and in a practical manner how this is all lived out in our lives. Combined with Judah Smith's sermons on the internet, your life will be enriched by his gift of simplifying and clearing a lot of useless clutter that gets in the way of totally trusting and believing in Jesus and really understanding that Jesus is EVERYTHING.

I bought this for the second time just so I could give it to my friends. I love Judah Smith and his preaching so I thought, why don't give the book a try? I could say that this book is done in a very.....human way. Judah talked from first person POV and thus you can relate easily with the what he wrote. He explained about His grace and His kindness in a way people rarely see and it's really eye-opening. I love this book and will keep recommending it to people!
