Just read through the essential oil blends and can't wait to try these favorites of mine in different combos. New and different recipes that I haven't seen before. I'll definitely make these and respond back. I'm hoping for some heavy duty foaming and a presence of normal bubbles.Ã Ã Ã^Ã

I've ordered some oils and can't wait to try out these recipes

I just went through this book and highlighted all the recipes I want to try. It has milk bath, bath bomb, bath gel, bath wash and bath tea recipes. Most recipes require items you can get at local stores or at .com. I look forward to making many of these recipes in this book.

The book is well written and a joy to read. I have not made any of the products as yet, but will certainly in the near future.

Good info

Just what I needed

great

Not at all what I expected. Uses too many products in not familiar with. To many things to buy. I didn't return it cause it's not worth the effort.
