Chumash: The Gutnick Edition - Book Of Numbers - Kol Menachem (Full Size) (Hebrew Edition)

Synopsis

The Gutnick Chumash has gained wide acclaim as one of the favorite Chumashim available today. It incorporates a flowing English translation of the Torah which is loyal to Rashi. The 'Classic questions' are drawn from a range of commentators, Midrash and Talmud, which are then ingeniously brought together in the Toras Menachem commentary. It is the first Chumash to include a commentary anthologized from the works of the Lubavitcher Rebbe. The Chumash also boasts a large sampling of inspirational Chasidic thoughts and insights into the Parsha, as well as practical lessons for our daily lives. The diagrams, charts, and illustrations all add to make this the perfect Chumash for layman or scholar. Beautifully bound in a hand-tooled leather style cover, both inside and outside are sure to impress.

an excellent addition to my library, i plan to follow up and get more of his works and titles. excellent author, great content and physically the book is of great quality. an excellent addition to my library, i plan to follow up and get more of his works and titles. excellent author, great content and physically the book is of great quality. i use this book everyday in our studies and weekly in our study group

This is the chumash I reach for each day to prepare for Shabbos. I find the english translation with the Rashi emendations very clear. The discussion of different opinions with the clarifying resolution by the Rebbe is really insightful and adds another dimension to the pashat of the parshah. The volumes themselves are handsomely presented and the type face is clear. There are of course

illuminating drawings where required as in parshas Trumah and Tzetaves to illustrate the Mishkan and the garments of the Kohen Gadol.
