Customer Reviews

So much fun. Not too complex, but not too easy. It was perfect! The pictures are adorable and the saints are clever and witty. There only problem is that the pages are too similar to one another. A little more variety would have been nice.

I absolutely love this book! It came earlier than expected, which was nice. Every page is adorable and so much fun to color. I'm going to order a few as gifts very soon due to the number of compliments I have received on the book itself. It's absolutely wonderful and just the right amount of profanity. The alltime favorite adult coloring book. Out of the 10 i purchased this one is the best

I am new to the adult coloring world but have fallen in love with it! Love the snarky books!

Everything I hoped it would be and more

I like the pictures but you can't really see all of the detail in the pictures.

Love it

Fun!
