Wedding Photography Contracts - A Photographer's Guide To An Effective Agreement

Synopsis

This book teaches you what you need for your wedding photography contracts and explains the different clauses and sections that should be included. There is also a sample of the contract we've used in two different states to shoot over 350 weddings. While this book contains our complete contract, please note that each State has different regulations and laws, so you'll want to run your final contract by a local attorney for approval, but having this written already will save you lots of legal fees since the attorney isn't writing it from scratch. The book is divided into sections explaining the "why" you have certain clauses on your wedding photography contract, plus it gives you a full contract that you can use for your wedding photography business. (*remember to have it reviewed by an attorney in your area) The book also explains how we get our contracts to and from our clients, how we take retainers and the instructions we give to our clients to enhance their experience with us.

Book Information

File Size: 1383 KB

Print Length: 38 pages

Publication Date: July 29, 2013

Sold by: Â Digital Services LLC

Language: English

ASIN: B00E8KZWXS

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Not Enabled

Lending: Enabled
