Dr. J. Vernon McGee (1904-1988) spent more than 50 years teaching the Bible on his "Thru the Bible" radio broadcast. He pastored for more than 40 years and has authored many best-selling books, including *Doctrine for Difficult Days*.

Sound doctrine from a beloved man of God. We trust McGee's theology and I refer back to this book frequently.

thank you

You can tell be reading this book that McGee is like a kind old grandpa telling you all about the Word of God, complete with applications to your life. If you have a chance to pick up a copy of his

Bible set, do it, that set is worth its weight in gold. Another book I can recommend is Mere Christianity, that combined with this particular book should not be passed up, especially if you would like some clarification on Christ.

Dr. McGee is always very enjoyable and I learn something from all of his materials. This book is very timely considering the world we live in now!

A good start for beginning a study in Theology! For a more detailed study, I'd recommend C Ryrie's "Bible Doctrine" or Lewis Sperry Chafer's "Major Bible Themes". Dispensational and Conservative!

As always another great book by John Vernon McGee. Learn Bible Doctrine.

simply a delight to read, perfectly simple to understand by anyone's standards, without compromise or "new age" messages intermixed. great for personal edification of faith in Christ Jesus.
