This is a fantastic bible study! The lessons and prophecy of Daniel are now written on my heart. I never studied bible prophecy before, thinking it was intimidating and better left to scholars. But Beth tackles the prophecy sections of Daniel in a way that makes them absolutely fascinating and left me hungry for more. Note: if you miss a week of the DVD session with your bible study group, you can go to the Lifeway website to purchase and download individual sessions at a reasonable price.

One of the best studies I've done in recent years...excellent! You'll be sad to see it end, very in depth and so amazing. Do what she says at the end, and STAY IN THE WORD!! :-)

The book is great. If I ever have the time to work through it I'm sure it will be valuable. I didn't realize it was a workbook type and there are video's to go along with it. We are using the questions in the back as a study guide for a Bible bowl.

I love Beth Moore Bible studies I do all of them and has the best price for the work books

My small group girls loved this study! Did it months ago and we still find ourselves talking about what we learned. I love how much Beth encourages us to really get into the word and learn it for ourselves. Very challenging! Have a ton more Beth Moore studies waiting for me in my wishlist!

This book came wrapped and in perfect condition. I'm in my second week of the study and am learning a tremendous amount of history surrounding the book of Daniel. My friend has the DVD that goes with it, so I would recommend that for your study as well. You won't be disappointed!!

I bought this used as a guide for the Bible study being done in my church. The book was virtually untouched, so I got full use of it as if it were brand new. The study by the way, authored by one of my favorite teachers, Beth Moore, was right at the top of my list of favorite things you should study in the Bible. The story was interesting, as well as very well grounded in scripture, and a tremendous help for some difficult to understand on your own material.

Great Bible study for young adult men and women.
