Be Determined (Nehemiah): Standing Firm In The Face Of Opposition (The BE Series Commentary)

Synopsis

Best-selling author Warren W. Wiersbe unwraps the book of Nehemiah in his study *Be Determined* to show a servant so selfless, a mission so humbling, and a perseverance so admirable that Christians are drawn to a new awe of God. As the leader God calls to mobilize and equip his people to rebuild the walls of Jerusalem, Nehemiah was a man who didn't know the word no when it came to God's economy. God strategically summons the man of Jewish descent from his comfortable high position as Artaxerxes' cupbearer at the palace in Persia to the difficult role as leader of the Jewish remnant. To this remnant of his own people, Nehemiah is called to empathize and share God's plan for their physical, emotional, and spiritual reconstruction. If open to it, readers will hear the Holy Spirit's direction in their own lives, and will surrender themselves to the God who equips them to do all things through His infinite strength.

This was a free Digital E-Book as a gift for subscribing to (David C. Cook Books) related to scripture that I stumbled upon through using the (YouVersion Bible App.) I haven't read it yet but am looking forward too.

Nehemiah can be a difficult book of the Bible understand. Warren Wiersbe helps clear up any confusion. His "Be" commentaries on each book in the Bible are an excellent tool for deeper study. The format is easy to follow and the language is easy to understand. If you're into seriously studying the Bible, especially if you're new at it, any in this series will be helpful.

This book is a very good reflection on my own life and thoughts. My Lord is always reminding me that I am specially chosen by His people of the Trinity Land. This book makes me determined to keep to the Lord God's covenant which is still very traditionally Jewish first. Other people non-jewish hates it but they have to acknowledge me as a living lover of the Lord. Rules are to be kept and feared

This is a very clear walk through of leadership skills, backbone, and following through on your calling. You'll be reminded, empowered yet again, and encouraged to stay the course. Plus, you'll understand the power of the book of Nehemiah. Ready to work for the Lord with determination? Read it.

Insightful, well-written, along with Ezra, Nehemiah gives information about restoring, renewing, recommitting one's life to the will of God and living in response to His word.

This book is great for someone who is dealing with adversity in their work and believe God has called them to the place they're in. It is filled with lots of practical advice to remain steadfast in this walk of a Christ follower.

This was a wonderful book to read to learn about Nehemiah. It certainly brought a new light and understanding of this great leader that God used in a tremendous way.

Dr. Wiersbe's books are always concise and to the point. In his book BE DETERMINED he gives a clear picture of the man Nehemiah and his mission.
