How To Pack For A 3-week Vacation With Only A Carry-on

Synopsis

In this book, I use my extensive traveling experience to explain how you can pack for a three-week vacation with just a carry-on. After a disastrous experience with a large suitcase while traveling through France, I was determined to figure out how to make life easier by packing everything I needed into a carry-on. Our next three-week trip, this time to Italy, was so much more fun! It wasn't until I didn't have to deal with it that I realized how much stress I suffered just because I had a suitcase - from dropping it off at the airline counter, to wondering if it was going to make it, to waiting for it in baggage claim and getting it in and out, and on and off, taxis, hotels and trains. Instead, while people on the plane headed to baggage claim (after a fourteen-hour flight!), I walked right past them and out the door to begin my fabulous vacation in Italy. Whether you want to go somewhere in the States, Europe or any other location, you will love the freedom of traveling with just a carry-on. In this Kindle Short Read, you will learn:

- The 4 myths we insist on believing when it comes to packing
- What you can live without and not even miss
- What to bring in your additional "personal item" to make your life easier
- Tips for staying safe while traveling and sightseeing
- The newest service from the TSA to make getting through Security faster
- Why everyone should visit the State Department website before even planning a trip

Customer Reviews

I gave up on this book half way through when the author suggested packing 8-9 bottoms, and 12 tops for a 21 day trip! I struggle to see how that many clothes, plus the other things you need to pack, like toiletries, undergarments, shoes, would even fit in a carry-on bag, let alone come in under the 7-8kg weight limit that most international flights impose.

It's a easy read with good idea s I didn't think I could pack for two weeks for Italy but now I am Ready I always pack to much. One time I packed a suit case with just shoes and handbags. So think I have come a long way

Susan's mistakes are my profits. She has learned the hard way, and through her anecdotes, the humorous way. Using her concise tips and methods has helped me pack smarter, lighter, and efficiently. I've had a successful five day trip. I already know this book will help me on a cruise and a long international trip later this year. Thanks Susan

Easy and fast read. Will be using all tips that were included. Thank you for your time and thought that was in your book.
