Customer Reviews

What is "strong" brown wholemeal flour, & "strong" white bread flour? No loaf size stated on any of the recipes. , Guessing, when you are using a bread machine, is not a sensible idea. Only 21 recipes in the whole book with only one recipe that I haven't already found somewhere else and worth trying. Very disappointed, a waste of money, and definitely not worth the money plus shipping for a 48-page book.

Great recipes and ideas

Glad I only paid 99 cents for this. I should have read the reviews before I purchased. As many have said, she does not give the loaf size.

If you want to fill your bread with sugar, buy this. Waste of money!

Absolutely love this book. The recipes are delish and gorgeous :)My favs are the beetroot and apple breads. Perfection

Good information provided.

Cooking directions and ingredients differ.
