I bought this book as a gift for a friend's niece who is an aspiring singer and actress. She loved the book. Most of the plays she's performed in during high school and outside venues detailed in this book. She really enjoyed reading the behind the scenes info she did not know. I would highly recommend this book.

Some readers moaned about certain shows being omitted from this "greatest of all time" list. But the authors state their criteria up front and admit that some really great shows will not make their list for this-and-that reason, but that it doesn't mean they don't hold those shows in high regard. But this "greatest" list, or ANYONE'S "greatest" list for that matter, is not an absolute measurement. To complain is to miss the point, and to miss the joy of this book. The book is packed with great pics, interesting trivia, and production details and credits that are often overlooked or forgotten as the years roll by. If you're a fan of musical theater (and are secure enough in your own opinions to not take the "Greatest Shows of All Time" tag too seriously) then you will certainly get hours of enjoyment out of this book. It's fun to look back at some of the older shows and see the no-names who went on to become bigger names, either in the theatre world or elsewhere. Recommended.

EVERY MUSICAL YOU HAVE EVER SEEN, HEARD ABOUT, THOUGHT ABOUT OR COULD CARE LESS ABOUT. THE AUTHOR GIVES INTERESTING DETAILS ON EACH AND THIS WILL MAKE A GREAT COFFEE TABLE AND CONVERSATIONAL BOOK. I RECOMMEND IT FOR ALL LOVERS OF BROADWAY.

I purchased this as a birthday present and the feedback I got was very good. It is filled with many interesting tidbits of history and brought out what was going on behind the glitter. I have read through some of the information on some of the plays and find it very good. Lots of interesting pictures that enhance the narrative.
