I Believe In Jesus

Synopsis

Discover how to lead your child to Christ. It's the most important conversation you'll ever have with your child, but that doesn't make it easy. The gospel is simple enough for little ones, but has kept theologians debating for years. So when it comes to explaining the Good News to your son or daughter, where do you start? In *I Believe in Jesus*, John MacArthur walks children through the gospel of Jesus in a way that is easy to understand, and equips parents, grandparents, teachers, and loved ones to share the familiar story of God's love. By opening the door to conversations that lead to salvation, this picture book has the potential to change lives forever.

While Christian parents agree that helping children to understand who God is is of the utmost importance, many struggle to find the words to explain the gospel to them. John MacArthur has successfully written a concise yet complete account of the gospel message in *I Believe in Jesus*, written entirely for young minds and hearts. With stirring watercolor illustrations from Melinda MacArthur, the author's daughter, *I Believe in Jesus* will hold the attention of little ones as well as communicate the most important message they will ever hear. Beginning at creation and moving through to eternity, MacArthur speaks directly to children in simple language by bringing theology (even tough subjects like the trinity) to a basic level. Pointed questions that ask, "Have you ever noticed how hard it is to always be good, kind, loving, and unselfish?" point out the child's need for a savior, while insightful answers give hope to young readers, saying, "Our sins should keep us out of

heaven, but instead, God invites everyone--you too!--to come to Him and ask for forgiveness for our sins." As the child matures, he or she will begin to understand the Word of God in accordance with the childlike explanation coupled with it. This is sure to bring understanding that leads to wisdom (and hopefully repentance!) rather than the knowledge of a good story. The Word of God is trusted in this short story to change the hearts of children, hoping to usher them into His kingdom at a young, blessed age. --Jill Heatherly --This text refers to an out of print or unavailable edition of this title.

John MacArthur has served as the pastor-teacher of Grace Community Church in Sun Valley, California, since 1969. His ministry of expository preaching is unparalleled in its breadth and influence. In more than four decades of ministry from the same pulpit, he has preached verse by verse through the entire New Testament (and several key sections of the Old Testament). He is president of the Master's University and Seminary and can be heard daily on the Grace to You radio broadcast (carried on hundreds of radio stations worldwide). He has authored a number of bestselling books, including *Twelve Ordinary Men*, and *One Perfect Life*. This book was great, as I was able to share to my father the gospel in a simple way. It gets right to the point in a children's language. He accepted Christ after reading this book. I would recommend it to everybody not only children. I have been giving away these books for baby showers.

This is a little over my grandkids heads, (4 & under) but I try to make it easier for them to understand as I read it. The illustrations are fabulous. I think it's a keeper.

This book makes a simple, yet complete, presentation of the Gospel that a child should be able to understand. I like the fact that nothing important is left out. Adult Christians can also benefit from this overview of salvation that begins in the Old Testament and is brought to completion in the New. I wish I had had this book during the many years I served as a pastor. I recommend this book to church staff members, children's workers, and parents who seek the salvation of the children under their care.

A wonderful book to read to your children/grandchildren.

This is an excellent addition to the bible - when you are introducing Christ to your child's life. The book helps explain the importance of God the Father, God the Son and God the Holy Spirit in a child's life - in everyone's life. Excellent purchase - I'm sorry this book seems to be out of print - I wanted to purchase more but each seller put a limit on the number one could purchase. Also, the price varied from seller to seller - a seven or eight dollar book ranging from seven dollars to forty dollars - the very same book. What's up with that?

Beautiful little book :)

This is the best Bible story book every.

Beautiful little book. Wonderful for one on one time in the early stages of parent-child discipling.
