It's All Greek To Me: Transform Your Health The Mediterranean Way With My Family's Century-Old Recipes

Synopsis

Debbie Matenopoulos, the first member of her family born in America, grew up in a traditional Greek household, eating delicious, authentic Greek cooking that her family had passed down for generations. By the time Debbie had started her television career in New York on *The View*, she began eating a standard American diet. But despite carefully limiting how much she ate, she found herself gaining weight and lacking energy. As Debbie's career as an entertainment news reporter and television host on BS, MTV, E!, and other networks had her constantly on the go, she was grabbing whatever food was readily available. It was only when she returned to her traditional Greek diet that she found herself easily—and healthily—realizing her natural weight and regaining her natural energy, stamina, and physique. Now, in *It's All Greek to Me*, Debbie shares 120 of her family's traditional Greek recipes and adds her own touch to make them even healthier and easier to prepare. After tasting Debbie's dishes, such as her mouthwatering version of Spanakopita (Spinach Feta Pie), Kalamaria Kaftera (Spicy Calamari), her family's secret recipe for Baklava, and, of course, Arni kai Patates (Classic Roasted Leg of Lamb with Potatoes), you'll be amazed these delicious foods are good for you. With a foreword by Dr. Michael Ozner, one of the nation's leading cardiologists, the recipes in *It's All Greek to Me* adhere to the healthiest diet on the planet: the traditional Mediterranean Diet. Modern science is catching up to what Greeks have known for millennia: health comes from eating natural, whole-food ingredients that haven't been processed or pumped full of hormones, antibiotics, or preservatives. Let *It's All Greek to Me* bring your friends and family together to share in the experience of a Greek meal and way of life. Opa! A portion of all proceeds will benefit the ALS Association.

Both of Debbie Matenopoulos's parents immigrated to the United States from Greece and instilled in Debbie the concept of philoxenia, a passion for bringing friends, family, and even strangers together over the dinner table for meals made with love.

A two-time Emmy nominee, Matenopoulos has sustained her career as a compelling journalist and talk show host for more than a decade. After starting out on The View as the youngest person in daytime history to hold a permanent co-host position on network television, she went on to launch the TV Guide Channel, host the TBS hit series He's a Lady, write and sell a movie to Oxygen Network, and co-host FOX's Good Day Live. She then joined the E! Network family and began co-hosting red carpet events, The Daily 10, and also hosted Fashion Police and Style Network's Instant Beauty Pageant.

She is now correspondent for CBS Television's The Insider and covers everything from pop culture trends to the latest hard-hitting news.

the best Greek cookbook I've encountered yet.....and I have many from Greek churches.....

I like the explanations in the front of different items you will be using. I wish there were more pictures of the finished products and assembly steps though. But I can't wait to get started. Have been doing a mediterranean diet and wanted to make some real Greek food.

A friend of mine swears by this her greek born & raised husband is impressed by the outcomes.

Such an outstanding book. Very happily surprised at the extent and all the traditional commentary too

I have dozens of cookbooks I've collected over the years. Some worth the price for one, maybe two or more, truly spectacular recipes, but most a waste of money, time, ingredients. Same goes for all those cooking show recipes. Most make no sense (ingredients, instructions...) and just do not produce excellent results (top of the list, anything Martha Stewart). To my total amazement, ALL of the recipes (I've made about 2/3 of them so far) in this cookbook are reliable and produce excellent results. For many years, I've searched for a recipe for Pastitsio, for example, and hers is outstanding! And, I've lost ten pounds since purchasing this cookbook two months ago.

excellent recipes and great stories Makes me miss Greece even more.

great cookbook

Although I returned it due to the fact I couldn't find ingredients locally, I liked this book.
