Well written book. Really worth recommending!

I do like whole foods and this book has some delicious recipes in it. I appreciate that it has some easy to prepare meals that are very healthy. I also think that it can provide you with different recipes in 30 days.

Very healthy cookbook. It has full month delicious recipes. I read them all and I think it is also very good for health too.

Not enough recipes for the money. I could have put this together. Disappointed .

It was a homemade cookbook and some of the recipes were not even whole 30 compliant. I threw it away
