Grimnirs (Runes Series Book 3)

Synopsis

WARNING: This is CORA'S story: This book may be considered NA (new adult) because it contains some swearing, violence and sex scenes: Suitable for ages 17 and up. A Clean Version is available on .Torin St. James better step up his game because Echo's in town and just took the spotlight! Hot, beautiful, and cocky is not all you'll get after meeting Echo! He's up for a challenge and set on stealing the Runes series title • ~ Julia Hendrix @ As You Wish

ReviewsStraight out of the psych ward, Cora just wants her life to be normal. She doesn't want to see souls or the reapers collecting them. The guy she's loved from a distance for years moves away without saying goodbye. So yes, she's nursing a serious heartbreak. It's no wonder love is the last thing on her mind when Echo storms into her life. The chemistry between them is mind-blowing. The connection defies logic. Even better, the souls leave her alone when he is around. Too bad Echo is the poster boy for everything she hates in a guy: hot, beautiful, and cocky. He is also a soul reaper. A Grimnir. The very beings she wants out of her life. Maybe normal is overrated because Cora wants it all. Answers. Love. A life. WARNING: This book may be considered NA (new adult) because it contains some swearing, violence and makeout scenes: Suitable for ages 17 and up Reading Order: Runes (book 1) Immortals (book 2) Grimnirs (book 3, it bridges books 2 and 4) Seeress (book 4) Souls (book 5) Witches (book 6)

Customer Reviews

I read Runes and then this one. HOLY CRAP! It is seriously INSANE! While Runes was YA, this is NOT YA! There are too many graphic sex scenes for it to be YA. It's def more of an adult book~ I wouldn't want one of my 16 year olds reading it. That said, Wow! It's really hot! I love that Edna is expanding on Cora and I love the introduction of the new character~ Echo. He is seriously a stud and adds an amazing element to the story line. I am seriously addicted to this series now and will be reading Seeress next.

I enjoyed this book and the talents of this author. The characters are memorable, likable, and one is truly funny with his arrogance. The only thing that disappointed me, is I'm wanting the story that started in book one, that rolled over into book 2, to also roll into book 3 and so on. Now maybe the author picks up the story again in a later book, but that's such a huge risk that we keep reading that far down the line. This book has a whole new threat taking place. I did like the twist at the beginning and how it all played out. I just prefer to have the story continue on from book to book, so when you get to the end everything is answered and complete. Don't know if that will happen in this series or if each book is a whole new issue

In book 3 we get a point of view from Cora, Raine's best friend. This book is pretty graphic, so I would limit the age group as to how young should read it. I read the original version, but there is also a clean version available as well. For the older readers, I think it is a great book, as you meet new characters and get to know Cora's run of events as to what happens, and meet a whole different group of people (Griminirs). In this book we get introduced to Echo, who becomes a main character in the rest of the series. He helps Cora get through so many issues she was having when she was at PMI and she eventually makes up with Raine, although their relationship never goes back to how it was before. The main aspect that bothers me in the books is how close Raine, Cora, and Eirik were, but the moment they meet someone else, it's like their friendship is put on the back burner. They do not hardly see each other, and rarely get time without the significant other there as well. It seems like a slightly unhealthy relationship on both sides.

If I could give this book 10 stars... I would! I have to say, I am sometimes overly critical of the books I read; especially when it comes to series books. I didn't think that EW's 'Runes' or 'Immortals' could be topped, but I was wayyyy wrong!! Echo, the hero, was complicated, romantic, emotional, and devoted. Some of the primary characteristics I look for in a romance. In Raine's story, I thought that Cora was an airhead and shallow. Wrong again! I like her even more than I did Raine... and that's saying a lot! I have been waiting for this book to come out (impatiently) since I read the first two. Now, I'll be impatiently waiting for the others! Especially Eirick's story. I have to say, there aren't any characters in these books that I don't like... other than Maliina, of course lol! Ednah, you write these stories beautifully and I am very impressed with your story-telling abilities :-). Torin and Raine's story was awesome, but Echo and Cora... I'm completely jealous of their relationship lol. Do yourself a favor and read these books!

This book is from Cora's view. Even tho it was sometimes hard for me to remember that cause I kept thinking it was Raine, it was a great book! Cora had been thru a lot. After a lot of her team mates dieing she also lost her too best friends. But this mysterious guy shows up in her bedroom and wants to have his way with her! The way she feels about him is crazy. He makes her want to slap him and kiss him at the same time! But she's got bigger issues. She's been seeing souls and some how someones been her doppelganger! Will she be able to find out what the souls want and why they keep coming to her and who has been her evil twin?

This book is told from Cora's point of view. In it she comes back from her stay at a Mental Institution pissed and ready to take on all her supposed "friends" who abandoned her there. The only problem is everyone is acting like they just saw her before the weekend. That's when she finds out that while she was away someone was impersonating her! Her friends didn't figure it out until it was too late. Unfortunately that's not her only problem. Though she convinced the shrinks to let her go, she actually still CAN see ghosts everywhere she goes. Now she must dodge them while trying not to get locked back into the crazy house! She's doing her best when a final complication is thrown her way. The sexiest man she's ever met is convinced they're in a relationship. She tries to tell him someone had been impersonating her, but he won't believe her. Will she be able to get rid of him? Or will she even want to? The chemistry is Hot between Cora and Echo and the ride Cora must go on is crazy! You will love this book!

Ednah walters is a fantastic author! This book was a great addition to the first two which continues the story of Raine and Torin and their friends but focuses in on what is happening with Cora. I loved every minute of learning what happened to Cora, and how her character developed while dealing with her changes and also meeting Echo who seems to already know her very well. I gave this book 5 stars because it was well written, kept me on the edge of my seat with mystery and continued the story from books 1 and 2 really well.

I have been trying to finish reading this book for 5 days.... I fell asleep while listening to the Audible book, and had to re-read a few chapters...Wow I love RUNES!!! E.B. Walters can spin a sci-fi novel like no one else!!! Torin and Raine were lovers, but when Cora and Echo get together its smokin' HOT!!! Immortals, Grimnirs, Valkryes, and souls. Oh please give us a lesson on Asgard, Hel, etc... Walters keep writing and I will continue to read! Your loyal fan....
