The Visible Cities Guidebooks are consistently the best guidebooks in the market. They are well-informed, up-to-date and easy to use. The Dubrovnik Guide is a must-have for those who are fortunate enough to spend time in this lovely seaside town. The guided walks are a terrific feature and help you see the city through a native's eye. The book is beautifully written and is one of the

few guidebooks that can be read cover to cover. Well worth the investment.
