Replacing last years. Still great quality, easy to use

The only reason I didn't give it 5 stars is because I really 2016 better because of the inspirational/motivational quotes it had. This one doesn't but other than that, it's AWESOME! A large ruled space to write for every single day of the year including a full one page calendar WITH an additional NOTES section for each week that is very very handy. TF Publishing is the BEST in my book.

This planner is great for tracking daily events. There is ample room for each day to track my work day.

Always get this calendar. Love the spiral bound.

several of the pages were missing... I need to figure out how to return these!

Nicely done calendar with beautiful pictures.

OK just very small

I received the Tropical Beaches this morning and the book is totally beautiful as well as peaceful looking-I look forward to enjoying the book. I also order another book and can't wait to see that one. Better to have two books as opposed to one and then forgetting where you put the calendar.
