What Is Religion? (Our Multicultural World)

Synopsis

Religion is the belief in a power greater than oneself. Many people call this power God. This insightful book introduces children to the world's great religions: Christianity, Judaism, Islam, Hinduism, Buddhism, Sikhism, Chinese traditional religion, Native American Indigenous beliefs, and non-religious spirituality.

Customer Reviews

I bought this book for my daughter to explain how there are different religions in the world and the similarities between them. I wasn't disappointed. The book had a couple of pages about each of the major religions and explained the beliefs that are common among them. More and more people in the world need to read this book, mainly because it is simple enough for ANYONE to understand, not just the 6-9 year old age group that it was written for!
