Danielle Steel CD Collection 4: Big Girl, Family Ties

Synopsis

Big Girl Victoria Dawson has always felt out of place in her family, especially in body-conscious L.A. Her father, Jim, is tall and slender, and her mother, Christina, is a fine-boned, dark-haired beauty. Both are self-centered, outspoken, and disappointed by their daughter's looks. While her parents and sister can eat anything and not gain an ounce, Victoria must watch everything she eats, as well as endure her father's belittling comments about her body and see her academic achievements go unacknowledged. Ice cream and oversized helpings of all the wrong foods give her comfort, but only briefly. The one thing she knows is that she has to get away from home, and after college in Chicago, she moves to New York City. Behind Victoria is a lifetime of hurt and neglect she has tried to forget, and even ice cream can no longer dull the pain. Ahead is a challenge and a risk: to accept herself as she is, celebrate it, and claim the victories she has fought so hard for and deserves. Big girl or not, she is terrific and discovers that herself.

Family Ties Annie Ferguson was a bright young Manhattan architect. Talented, beautiful, just starting out with her first job, new apartment and boyfriend, she had the world in the palm of her hand—until a single phone call altered the course of her life forever. Overnight, she became the mother to her sister's three orphaned children, keeping a promise she never regretted making, even if it meant putting her own life indefinitely on hold. Now, at forty-two, as independent as ever, with a satisfying career and a family that means everything to her, Annie is comfortable being single and staying that way. She appears to have no time for anything else. With her nephew and nieces now young adults and confronting major challenges of their own, Annie is navigating a parent's difficult passage between lending them a hand and letting go, and suddenly facing an empty nest. The eldest, twenty-eight-year-old Liz, an overworked, struggling editor in a high-powered job at Vogue, has never allowed any man to come close enough to hurt her. Ted, at twenty-four a serious and hardworking law student, is captivated by a much older, much more experienced woman with children, who is leading him much further than he wants to go. And the youngest, twenty-one-year-old Katie—impulsive, artistic, rebellious—is an art student about to make a choice that will lead her to an entirely different world she is in no way prepared for but determined to embrace. Then, just when least expected, a chance encounter changes Annie's life yet again in the most unexpected direction of all. From Manhattan to Paris and all the way to Tehran, *Family Ties* is a novel that reminds us how challenging and unpredictable life can be, and that the powerful bonds of family are the strongest of all.

Customer Reviews

Danielle Steel has been hailed as one of the world's most popular authors, with over 590 million copies of her novels sold. Her many international bestsellers include Happy Birthday, 44 Charles Street, Legacy, Family Ties, Big Girl, Southern Lights, and other highly acclaimed novels. She is also the author of the story of her son Nick Traina's life and death.

Great stories, great prices.

Kept me interested especially during my 10 hour one way drive!!! Made the drive more pleasant!

DANIELLE'S CHARACTERS ARE REALLY DEVELOPED AND BELIEVABLE

My 91 year old can no longer see so I got her started on audiobooks. This set of Danielle Steel books was the perfect way to get her hooked on listening to books. She loved these books so much that it took her only one week to read each book. Thanks so much for putting these books on cd.
