Customer Reviews

I only received the book in the mail. It did not come with the CD.

My children are hooked. We checked this out from the library and they ask for it every time we are in the car for the last 2 weeks. They are 4 and 6.

This CD has been played in our car until it's almost worn out. The vocalists are wonderful. My seven-year-old son likes to sing along while reading the lyrics book. What's great is that he is now speaking Spanish in sentences now!...and I can follow along since the translations between English and Spanish choruses are quite close. Bravo!

Don't buy this! My kids don't like it and I cringe when I hear it. The amateurishly composed pseudo-music grates on the nerves. The lyrics are a forced, unnatural toggle between Spanish and

English; grammatical rules are spoken/sung. This is a highly ineffective way to learn language.
