## Customer Reviews

This is a great thing to share with your family. We all laughed and chuckle when we each got to ask "Who's there?" What a pleasure to find a book that is "Clean" to share with "All" the children and adults. I gave this book the rating I did because of the prior reasons. It is a great "Knock Knock" joke book. There were many we had not heard before. Read and get a laugh!

Loved this product

Cute jokes but my kids were too young to get most of them. They love knock jokes so I was a bit

bummed.

If you like cheesy books choose this one. Great for quick pick up line jokes. I personally would never recommend this book to a friend

Good effort, good spelling, good dry humor. Lacking something, just not sure what it is. Please continue to write more books.

Some jokes were clever, a few funny ones. Not bad for a free book. Better if read using accents.

I really did not care for the book but I guess it is a good book I would not recommend
