The Inspiring Life Of Texan Héctor P. García (American Heritage)

Synopsis

As a Mexican immigrant, Dr. Héctor P. García- a endured discrimination at every stage of his life. He attended segregated schools and was the only Mexican to graduate from the University of Texas Medical Branch, Galveston, in 1940. García- a's passion for helping others pushed him to advocate for equal rights. After serving in World War II, the doctor worked to help minorities achieve greater access to healthcare, voting rights and education. He started a private practice in Corpus Christi and in 1948 founded the American GI Forum. Cecilia García- a Akers shares a daughter's perspective on her father's remarkable achievements and sacrifices as an activist and physician.

Customer Reviews

Cecilia García- a Akers, the daughter of influential Texan Héctor P. García- a, brings the accomplishments of her father to the forefront in this inspiring biography. --

<http://cultura.blog.mystatesman.com/2016/06/02/14-latino-books-for-your-summer-reading-list/> "A few months ago, VHP collaborated with the Library's Office of Equal Employment Opportunity & Diversity Programs and the Librarian's Hispanic Initiative to host a book talk with Dr. García- a's daughter, Cecilia García- a Akers, who shared her memories and discussed her late father's legacy in her new biography, "The Inspiring Life of Texan Héctor P. García- a." A webcast of the book talk will soon be accessible via this link. At the end of event, she presented the Project with a collection of 15 original photographs of her father's military service which have been added to the archive and made accessible to researchers, students, educators and the

general public, including his loved ones. In her talk, Akers described the book as âœa daughterâ™s perspective on his personal struggles that accompanied his advocacy,â• versus the usual historical analysis of his life. She drove home themes of rising up from struggle, overcoming great hardships to care for others and her fatherâ™s deep values that led him to his calling. He understood the values of trust and love for his fellow man; he never forgot that he was called to serve all the people around him. She went on to say that he âœdesired to achieve the American dream,â• and gave his life to his country and humanity. âœWe can all learn from his determination to succeed,â• she added. And I couldnâ™t agree more. "Library of Congress-Folk life Today "As of Tuesday, there were only two books about Garcia in a library named after him. One of those books âœThe Inspiring Life of Texan Hector P. Garciaâ• was published earlier this year by his daughter, Cecilia Garcia Akers. âœI am happy that she put that book out because there just wasnâ™t much available prior to her book. I think there is one other,â• Vidales said. Akers said she has been planning to visit her fatherâ™s Memorial library for a book signing next month. She currently lives in Corpus Christi where her father spent most of his life practicing medicine and raising her and the rest of her brothers and sisters." The Monitor" In "The Inspiring Life of Texan HÃ©ctor P. GarcÃ-a" we have a truly compressive resource detailing Garciaâ™s life on the front lines of the civil rights struggle, his work as a medical doctor and his role as a family man. His daughter âœCecilia GarcÃ-a Akers âœ has written an unparalleled gem about her âœpapaâ• revealing intimate family memories. It is a must-read for those interested in the Mexican American struggle for acceptance in the United States. This book should be required reading for young students across the country, as it recounts the story of a 20th Century hero who shook up the nation with his quest to see his people, and all Americans, treated equally and with respect. Caller-Times

Cecilia GarcÃ-a Akers is the middle daughter of Dr. HÃ©ctor P. and Wanda F. GarcÃ-a. Cecilia is the founding member of the Dr. HÃ©ctor P. GarcÃ-a Memorial Foundation and serves as its board president/chairman. She has written editorials for the Corpus Christi Caller Times and the Waco Tribune regarding the legacy of her father, Dr. HÃ©ctor P. GarcÃ-a. Cecilia is married to Jimmy Akers and resides in San Antonio, Texas.

I knew Dr. Garcia and am familiar with his fight for equal rights for everyone.

Book on Dr Garcia is absolutely awe-inspiring! Recommended reading for everyone!
