Moving To Arizona: The Complete Arizona Answer Book

Synopsis

If your destination is Arizona, whether you are a traveler or a local resident, experience and discover the best the Grand Canyon state has to offer. Moving to Arizona is the indispensable guide to the Grand Canyon State. Packed with hundreds of details and insider tips, this revised, updated edition is the complete answer book for anyone relocating to Arizona. Learn how newcomers and residents alike: find jobs, child care, and schools; start a business; select a neighborhood; buy a house, rent an apartment; use community resources; get consumer assistance; discover ancient ruins and high-tech industries; and explore national parks and Indian reservations. From registering a car to registering to vote, this handy and easy guide to living in Arizona, is replete with important facts, figures, addresses and phone numbers. Complete with state, highway, and greater Phoenix and Tucson area maps. The author, Dorothy Tegeler, has written two previous works about Arizona, Moving to Arizona and Retiring to Arizona. She has also written a children's activity book, Hello Arizona, and co-authored the cookbook Arizona's Favorites. Her own experience relocating to Phoenix heavily influenced how this book was written.

Customer Reviews

Very worthwhile. I moved to Prescott, Arizona, from the East Coast several weeks ago, and I found this little book to be helpful. It has information about all all sorts of practical things, such as registering your car. If you plan to move to Arizona, I recommend making the small investment for the book. Compared to what the move is going to cost you, the book is virtually free, and you will be

glad to have it.

My father recently moved to Arizona and I purchased this for him a few weeks before he made the move. He had found it to be very helpful. It contains all of the essential information that any newcomer to the state might need. It is well written and seems to be very current. If you're a newcomer to the state or considering moving to Arizona, then I'd recommend that you consider purchasing this book.

I am about to make a move to Arizona, and I thought this book might help ease the transition. I was disappointed to find that the book covers a lot - but nothing in enough detail to be helpful. The information on weather, employment, and useful phone numbers, etc. can be found on the Arizona state website for free. I suppose if you have no other resources available, this book might be useful, but I was disappointed.

I hate to say it. This book provides very basic information that lacks depth and the insider viewpoint I expected. The limited info that did scratch slightly deeper than the surface centered on the cities of Phoenix and Tucson. Other cities such as Flagstaff, Sedona and Winslow were barely mentioned. I found this book of little real value to someone serious about Moving to Arizona.

I thought this book would be helpful in my transfer to Arizona, but it is outdated and has little real helpful information. You could probably find this and much more information on-line for free.
