Praise for the World Soccer Legends Series: "These books address a largely unfilled niche: short, highly readable biographies of contemporary soccer stars. The texts are printed over and around voluminous, richly printed photographs and include many pages of scoring statistics and league standings." School Library Journal "These books are a terrific soccer resource for kids! They combine the best of world soccer along with history, geography and a glimpse at what it's like growing up as a young soccer player in another country. Soccer is truly a global language and these books help American kids speak it fluently. What a great opportunity for young soccer players to learn about their heroes and the legendary clubs of the world. These books are

engaging and fun! – Lynn Berling-Manuel, American Youth Soccer Organization (AYSO) "These books in the World Soccer Legends [series], newly translated into English, will appeal mainly to young hardcore soccer fans. Such readers cannot get enough of the action photographs, copious statistics, and player profiles that fill the books." ; Booklist

My son is a soccer player and hence a soccer aficionado. He's enjoyed the book and the style of how it's written. It isn't a chapter book but rather filled with photographs and facts throughout. I didn't read the measurements of the book when I ordered...it's big!

Really a great book. My 10 yearold loves it. Very current too is it covers 2014 world cup

It was for my grandson who is 8 and an avid soccer fan. He loved it.

Great book for a young soccer player. My son is 7 and he can read it by himself. He kind of picks and chooses what parts to read but it holds his interest and he loves the pictures. For any kid who loves Messi, this is a must!

This is the best book about Lionel Messi for fans of all ages! Everything you could want to know, and pages are in full color. When my library director friend saw it, she immediately ordered it for her library.

Great book for 2nd grade biography projects!

great book, good content and nice photos.

My grandson loved this book!
