Customer Reviews

I've only tried one tea recipe so far but man was it good. I look forward to trying the others. I have this on my kindle and the lay out is great. Thank you

What a great book. The combinations are healthy, different and I am looking forward to trying them out. I am looking at the green tea, rose and nettles to start, which is great for women's health.

Excellent!!!!!!!!!!!!

This book had great variety, it is unfortunate I live somewhere where some product isn't readily available, otherwise, I'd be trying every recipe!

Very interesting

Fantastic read for loose tea lovers!

Great book!

As expected.
