Mark Of The Killer

Synopsis

A Northwest Suspense Collection novel – The close-knit community of Cougar Bend lay quiet on Idaho's Clearwater River. Eighteen-year-old Ty Kavanagh, fights an inner battle of guilt and self-blame for an accidental death he had no control over. Jep, 19, whose family are the despised corrupt Shuler clan, long standing enemies of the Kavanaghs, struggles to break free of the family mold and lift himself up to respectability. Then the murder of a young woman traveling through the area lands squarely on his doorstep. Le Tueur – The Killer. A rogue big game and horse killing cougar turned man-killer who has defied all attempts to bring his hide down from the mountains. His wanton destruction has touched all in the community, including the Kavanagh and Shuler families. Ross Dubois, the old Nez Perce hunter who named the cougar from his father's French language, believes the huge Tom is possessed of an evil spirit that only a good spirit can kill. Until that man appears, The Killer will continue to leave his mark of death wherever he silently stalks. Strength, courage, family, forgiveness, and community will be put to the test.

Well another great book by Mr. Fisher. This is a great story of family members and a community coming together to create an awesome book. Would highly recommend this book to everyone who enjoys a great story.

I would like to recommend this book to anyone who wants to read a very interesting and exciting book where the action never stops. I am finding these books to be very difficult to put down. I will be looking forward to reading the next book from this author

Wow. Just wow! It was difficult to put this down to do things I had to do. I could almost smell the forest, hear the river, sense the big cat nearby. A must read.

Awesome book. One of the best. Glad the boy had a chance. He grew up. Some do, some don't. We all need second chances.

good read !!
