The Silent Shield: The Kingfountain Series, Book 5

Synopsis

Wall Street Journal bestselling author Jeff Wheeler continues the acclaimed Kingfountain Series with a vast expansion of this spellbinding world. Thrust into the heart of events threatening to rip her kingdom apart, young Trynne Kiskaddon will gain new powers and see old allies fall and new heroes rise as the battle for the kingdom and the lands beyond begins. Courtly intrigue and rumors of invasion plunge Kingfountain into turmoil as the search for Trynne's father begins in earnest. But Trynne's quest to learn the truth of Owen's sinister disappearance is sidetracked when tragedy strikes her family once again. Suddenly, the future of the kingdom rests in her hands as she struggles to learn - and control - the power that can keep the threatening Deep Fathoms at bay. When King Gahalatine unleashes his overwhelming forces against the realm, Trynne must draw on her political instincts, warrior training, and Fountain-blessed magic if she hopes to survive the chaos to come. But a final, epic confrontation will force Trynne into an unimaginable choice: save her kingdom and the lives of her people, or lose the one who means more to her than life itself.

Customer Reviews

This series has me wanting more. With sword fights, oaths, and "loyalty binds me" there is so much excitement you can't help but go through each book. I can't wait to read the next one.

Amazing series! Loved how this one tied together and confirmed my suspicions all the books were tied together in some way. Can't wait for the conclusion!

Jeff Wheeler has done it again. I haven't been able to put this book down since I got it. I have read all of his books and enjoyed them thoroughly. I encourage everyone to read, not just the previous Kingfountain book, but his Muirwood books as well. The Silent Shield was a fabulous addition into his series. I eagerly await the next installment!

Can't wait for the next one in November!

My new favorite author!

Author did not disappoint, Great reading.

Loved it.

I really missed the years of peace Owen had while trynn was growing up, maybe a few flashbacks ? Also more Owen and sinia .
