## Synopsis

Featuring everyone's favorite hip kitty, these three companion read-along CDs each feature turn-the-page signals and five comprehension questions. Includes Pete the Cat and His Four Groovy Buttons CD, Pete the Cat: I Love My White Shoes CD, and Pete the Cat: Rocking in My School Shoes CD. Pete is one unflappable cat. Whether the buttons of his favorite shirt keep popping off or he's going to school for the first time, Pete never loses his cool. No matter what little surprises come his way, his motto is: "It's all good." And he usually has a catchy song to sing as he goes through his day! Originally, Pete was a black cat adopted by the artist James Dean. Inspired by his new pet, Dean created a series of paintings starring Pete, painted blue instead of black. When fellow Georgia resident Eric Litwin discovered the paintings at an art gallery, he just knew that he wanted to create a picture book with Pete the Cat. Add one bouncy song and some awesome shoes, and the sing-along, read-aloud phenomenon was born! Loved by parents, teachers, and kids alike, Pete the Cat stories are now available as picture books and early readers.

Grandchildren liked listening to them

Thank you

I love Pete the cat book and audio. CDs came in new condition non-scratch it sounds great very satisfied with my purchase but one thing I realize I only received two of the audio cds.

These are great. The music makes you want to get up and dance. Kids would listen to them all day. They don't care about the books as much as these cds.

The stories are great and my son loves them I just wish they were all on one CD. Each CD is only about 4 minutes long...

Ordering my choice was easy, looking up and browsing enabled me to be sure I was choosing the right item, it arrived on time and my grandson loves the books and CD.

These are a must have if you have the books! (or the books are a must have if you have the CD's!) My students at school LOVE Pete the Cat, even my middle school kids! Best purchase I made all year!

Great narration and our kids (age 22 mo) really dig it!
