The Wedding Rescue (The Alpha Billionaire Club Book 1)

Synopsis

She thinks she's not his type. He's determined to prove her wrong. Leigha Carmichael is used to the quiet life. A junior accountant by day, she knows girls like her don't have exciting lives. She's smart, shy and her curvy body doesn't fit in among the beauty queens of Las Vegas. Still reeling from her ex-boyfriend's betrayal, Leigha's sworn off all men. Except she has a huge problem, and only the right man can solve it. The moment he sees her across a crowded bar, Dylan Kane knows he wants her. And Dylan Kane always gets what he wants. Especially when the object of his desire is sitting in his own casino. She's nothing like the skinny, overly made up women he's used to. From her clear gray eyes to her luscious curves, Leigha is the real thing. Exactly the change of pace he's been looking for. And even better, she needs something from him. With the bargain he has in mind, they'll both get exactly what they want. In the few days she's his, Dylan plans to take control of every delectable inch of Leigha's body. But when the weekend is over, will he be able to let her go?

BOOK ONE EXCERPT: I saw her across a crowded room. It's such a cliché, especially for me. I see beautiful women across crowded rooms all the time. The Delecta was my casino, and she was sitting at my bar. It's hard to say what made me stop. She wasn't a showgirl or a model, and nothing like the tall, skinny, overly made up women I was accustomed to. No, she was something else. She was real. When was the last time I'd had real? Real curves, generous enough to have her hips straining the seams of her navy blue dress. Real tits. Had to be. They were soft and full, even from a distance. They, too, strained against her dress. Mouthwatering. And her lips. A plump bow, ready to open for me. I had to see more.

This is my first read of Alexa Wilder and I must say right off the bat that I am so happy that I got this series. I had so much fun with Leigha Carmichael and Dylan Kane. Leigha is having one of the worst runs of luck and she has to be bother with her twitty, stick thin sisters and of course her mom. She decides to have a drink before the hail storm begins. Just when she thinks she can take no more. In comes Dylan. She is not sure if she is being punked or what but this chance weekend will be grabbed with both hands and then some. Leigha goes the distance and some with a crazy ex, an ass of a soon to be brother-in-law, two pain sisters, a mother with or without a clue, and a very sexy man that wants her. This BBW gave me all I could want and more. ÆfÆç Æ Æ Æ“The moment he sees her across a crowded bar, Dylan Kane knows he wants her. ÆfÆç Æ Æ Æ• What would a woman give to know that this is what the man in her life was thinking the first time he saw her?

WOW Loved this set, no cliffhangers, a complete boxed set you will not want to put down, I stayed up till 4:30 am to finish it.. It's about a down on her luck, curvy beautiful woman, Leigha, whose jerk x boyfriend stole her entire savings, and is now sitting in a bar at a hotel, where her sisters wedding is to take place, crying into her drink, when un bekownst to her, Dylan is going to be her knight in shining armor comes to sit by her, listens to her problems, then offers her a weekend she can't refuse. Refreshing to see a worthy billionaire come into play. Well written, loved every part of this story, especially the ending. GREAT JOB

Dylan is dang near male perfection. Leigha is a woman with body insecurities, like most women. Dylan desires her just the way she is. Be still my heart! A great read with good strong characters, main and secondary. Well executed story that never lags. Very much recommend Ivy Layne books!

Leigh's life is falling apart her Ex has stolen ten thousand dollars from her, her boss keeps hitting on her, and has her sister's wedding to go to with no date. Her sisters are both money gold diggers and rude to her because Leigh went to college, has a great job, they say it is boring and fat. Dylan takes one look at Leigh and decides that he wants her. When Leigh tells Dylan her problems he makes her a deal, he will take care of her boss, ex, and be her date for the wedding if she agrees to be his for the whole weekend. When things go wrong with the ex will Leigh lose the best that has happened to her or will Dylan help save her ?

Oh wow! I loved this book. It's an amazing love story. What starts off as just a weekend turns into a romantic courtship. Poor girl. Bad luck continues to follow her everywhere! So many things, one after the other in only a few days! She is so lucky to find her true love. So jealous!

A little more graphic than I usually read but the story line was very good. I like it!!!

I really enjoyed this book. Leigh's having the worst of the worst luck but somehow Dylan Kane helps to make it right and wins her trust. Her ex-boyfriend steals her life savings now she has to deal with the sisters from hell and one of their wedding with an even more obnoxious groom. Dylan agrees to help Leigha by 1 being her date for the wedding and 2 and 3 find the ex, and take care of a grossly touchy-feely boss. Little did they both know the danger the next two days would bring. This is one set I'm glad I didn't pass up.

My favorite Alpha Billionaire Romance. Who could not feel the incredible chemistry between Leigh's and Dylan. Sexy, romantic and intrigue all combined perfectly. Enjoy, my friends, enjoy!
