McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

I absolutely LOVED, LOVED, LOVED this book! It is truly amazing. I'm generally not a huge fan of textbooks, but this one is impossible to NOT be blown-away by. Not only is it informative, it's VERY well-written and actually an entertaining and fun read! I was required to read this book for a class I was taking, and I bought the book grudgingly -- but my attitude changed as soon as I started reading it! In fact, I loved this book SO MUCH that I started to use it as pleasure reading. Me + Textbook = Pleasure That just doesn't compute. It SHOULDN'T! And yet it does. I HIGHLY recommend this book to ANYONE and EVERYONE. The information it contains is VERY beneficial, and I have actually applied some techniques in my own personal life -- much to my benefit I might add! Thank you so much for this wonderful book! -Mark LeGrand Messick

not what i expected. print is small. i have not taken a good look at the context yet.

I am teaching an elective course in our alternative ed school, and needed a basic introduction to psychology text. I feel that this text provides too much in-depth information for all but maybe gifted/advanced high-school students. It is far too complex for my students, and I cannot use it. It is on a similar level with my text from an undergrad Intro to Psychology course. The print is small, and each page is packed with reading. Many students today struggle with reading, and just glancing at pages filled with tiny words will overwhelm and turn them off from even attempting to read it. I think that it would work for an AP Psychology course, or a college-level intro course, but not for your average secondary student.

This text is suitable for High School Intro Psych courses...I do not think it is best suited for AP Psychology.

Good basic textbook.

Great condition

Book for school

Good book for the course. Bought it used. Arrived within 4 or 5 days of my order.
