J.J. Wiggins worked in the IT industry where he enjoyed a long and fruitful, yet tedious career. He has since retired and now spends his days with his family, doing his darndest to make them laugh.

This was delivered directly to my son, who is spending some time at a correctional facility. He is really enjoying it. Helps to pass the time, keeps his mind active and engaged.

Full of puzzles to occupy my mind and keep my brain busy. I'm a crossword puzzle person and wanted something a little different.

not so good, all there are better books. there are a few puzzles that are good, but many that aren't.

save your money.

Puzzle #90 was not exactly thoroughly edited and puzzle #68 says to color in the triangles but in the answer key, it clearly colours in a shape that is not a triangle.

Some of the puzzles are very easy

my sister love this word book

Little on the difficult side.

Keeps my Lil Man busy...
