## Customer Reviews

Great, would like a little more information on walking tours.

not very much content...

This is not so much a travel guide as an overview of the city. It contains typographical errors, no map (an essential for any travel guide) and maybe two pictures. It is not worth the price. It looks like someone just printed it off their computer.

Read this for a quick snapshot of Zurich. Hits all the highlights. Just needs a simple map to make it complete.
