Nursing Leadership, Management, And Professional Practice For The LPN/LVN

Synopsis

Be prepared for the opportunities that await you! In today's healthcare environment, the responsibilities and clinical practice of Licensed Practical Nurses and Licensed Vocational Nurses have expanded far beyond those of traditional settings. Build the knowledge you need to assume the leadership and management roles that you will be asked to fulfill and confidently navigate the increasingly complex environments in which you will practice. An easy-to-read writing style guides you every step of the way—helping you successfully transition from student to professional while still focusing on the humanistic aspects of caring. An access code inside new printed texts unlocks a wealth of interactive exercises and activities online at DavisPlus that make learning easier.
