Customer Reviews

Vocabulary workshop aids the student in using words in context, analogies, synonyms, prefixes, suffixes, and roots.

It was my first time to buy items in .I felt confused at first. But the seller was friendly so I am happy.The quailty of the item is good.It is the same as the description of the seller.I am satified with it.I am not good at English.That's all,thank you!

good . best product. This product is sleek, light, and extremely sharp! For what I paid, I thought this was going to be a Walt-Mart knock off quality bread product, but this thing has sliced through every bread I've thrown at it like butter! The handle is also really well designed and easy to get a good grip on, so getting nice, even, straight slices is really easy. great. my family need it ,
