Vintage Trailer Voyeur: A Peek Inside The Unique Custom Trailer Culture

Synopsis

Take a fanciful journey into the world of vintage camping trailers through the stories of their owners. Almost 400 photos offer a peek at the rare, the unique, the coveted, and the just plain adorable. Tag along to a vintage trailer rally, visit an all-girls camp, and check out the decor of these jewels—ranging from original birch paneling, chenille bedspreads, and a period-perfect Dixie stove, to a "Sharkstream" trailer-as-art-installation. Those with the conviction that trailers deserve to be loved and lived in will enjoy exploring the possibilities as they search for, renovate, or simply dream of living in their own little piece of history.

Book Information

Hardcover: 208 pages

Publisher: Schiffer; 1 edition (April 28, 2017)

Customer Reviews

This is Vicki Ocken's first book on vintage trailers. She has been immersed in this lifestyle for some time, traveling and seeking out unusual and original finds.

I love the personal stories and the Gorgeous Pictures!

Vintage Trailer Voyeur: A Peek Inside the Unique Custom Trailer Culture by Vicki Ocken is a free NetGalley ebook that I read in early February. With each chapter describing its own aspect (renovation, female owners, Airstream, vintage home decor items, collectors, and meetups), the trailers are sleek, cute, neat, or very posh, depending on the owner being featured. Ocken's flourishing narratives do a lot for each picture and storified paragraph, in a way to uplift the reader

from her somber introduction (i.e. telling us that she had been abandoned inside of a trailer as an infant).
