It was the site of the first European settlement on the North American continent with the Jamestown colony. Founded May 14, 1607 Virginia witnessed the transition from British colonialism to American sovereignty with the surrender of the British at Yorktown and she was again present when the nation was once again unified with the surrender of the Confederate Army at Appomattox. Virginia has also been witness to one of the darkest chapters in American history, when the first African slaves landed on her shores in 1619. Virginia, particularly Williamsburg might be considered the backbone of the nation, and if not the backbone then definitely one of the vertebrae Virginia's rich history is woven deep into the tapestry that is America.

She has witnessed many great turning points in history she is the birthplace of eight US presidents, and she continues to be at the forefront of American politics.Â Â Would You Like To Know More?Download now and begin your online business TODAY!
