Medieval Europe: A Short History

Synopsis

Medieval Europe introduces today's students to the medieval roots of our own society. In an accessible and engaging narrative, it tells how the peoples of medieval Europe built, understood, and changed their world. Never losing sight of the neighboring civilizations of Byzantium and Islam, it has its feet firmly planted in the medieval West, from whence it gives ample consideration to such subjects as women's lives, Jewish communities, ordinary people, and the experiences of Europeans in the often-neglected centuries of the Later Middle Ages.

Customer Reviews

Judith M. Bennett teaches medieval history and women's history at the University of North Carolina at Chapel Hill where she is Martha Nell Hardy Distinguished Professor. Educated at Mount Holyoke College, the University of Toronto, and the Pontifical Institute of Mediaeval Studies, she is the author of numerous books and articles about peasants, women, and families in the Middle Ages. Professor Bennett's research has been supported by the John Simon Guggenheim Memorial Foundation, the National Endowment for the Humanities, the American Council of Learned Societies, the National Humanities Center, the Folger Shakespeare Library, and numerous other agencies. She has held lectureships in Australia and England, as well as the United States. A Fellow of the Royal Historical Society in London, she has held offices in such professional organizations as the Medieval Academy of America, the North American Conference on British Studies, the Coordinating Council for Women in History, and the Berkshire Conference of Women Historians. Professor Bennett has received several awards for her scholarly books and articles, and she is also an acclaimed teacher at UNC-CH, where she has won a top teaching award and is now

a fellow of the Academy of Distinguished Teaching Scholars.

Assigned for a Medieval Europe class. Captures all the major themes/tensions, and its a good summary of Europe in the Middle Ages. I would recommend this book to anyone interested in reading about Medieval Europe. Naturally there are plenty of pieces which could use more elaboration or more detail, but this book does it all in about 300 pages.

After I bought this edition, I learned I could have gotten the 10th edition for a fraction of the cost and it contained the exact same words. The page numbers are slightly different, but the content is the same. If you are taking a medieval history class and they require you have the 11th edition, don't waste your money, the 10th edition is word for word for the vast majority of the book. I compared them side by side and it looks like they just copied and pasted the words for most of it. They may have added a few maps and pictures to the 11th edition, but save your money and get the older one trust me.

1) Be careful if you rent this and check the date it's due. It quickly doubles in price and I had to extend my rental to get it for the whole semester2) It's also formatted badly for kindle. The text shows up super small and you can't make it bigger, but is bearable if you just turn the kindle sideways. It's unavailable on the kindle app/website for Mac, too. All in all, not as good as other textbooks I've rented.

Very Happy With My Purchase - Great Price - Speedy Delivery - Would Buy Again!

Nicely produced paperback textbook of medieval European history is very informative and easy to read. Highly recommended

I had to buy this for a class but I actually enjoy reading it. It is not dry and boring but interesting and paints clear picture of life in high middle ages.

Great book, full of a lot of good Religious history. This is good for Religious and History students.

great book!
