## Good And Evil

## Synopsis

The Ultimate Superhero Graphic Novel!! In the beginningÃ¢ Â| Before the first man was created, before the earth, the sun, the stars, even before light and time were created, there was God. He alone existed without beginning, but he was not alone. He communed with himself in harmonious love. But god wanted to share his life. He wanted friends and neighbors. The Bible tells us God created numerous kinds of angelic beings to offer praise around his throne. But this is not their story. This is the story of God working with mankind. You will not find the story of David and Goliath or Daniel in the LionsÃ¢ â„¢ den. It is impossible to cover the entire Bible in just 330 pages. But the stories are not arbitrarily chosen. This is a chronological presentation of the Bible message, providing just that Old Testament background that is pertinent to oneÃ¢ â„¢s understanding of who Jehovah God is and of the gospel of Jesus Christ. Sacrifice, war, temptation, betrayal, hope, and redemption all a part of Bible is honestly and vividly presented in the popular graphic novel format (Watchmen, The Dark Knight). The critically acclaimed Good and Evil (Independent Publishers 2009 Bronze Medal Winner in the Graphic Novel/Drama category and 2009 Forward Book Award Finalist) truly is Idquo;the ultimate superheroÃ¢ Â• graphic novel and is making a huge impact worldwide. Written by author Michael Pearl (By Divine Design, Holy Sex, Eight Kingdoms) and illustrated by former Marvel Comics artist Danny Bulanadi (Fantastic Four, Incredible Hulk, Micronauts) < good & evil is a truly unique bible presentation. it is now being translated and distributed in dozens of languages, both print online, with more translations in progress.< />r>

## Customer Reviews

This book is so readable and yet accurate to the majority text of the Authorized King James Bible as it could possibly be. Very pure in it's intentions and very honestly written so as to only portray what the scripture says. NOT what man says, as so many other bibles in this format have done. We had some other comic type bibles and we have replaced them with this. I am very impressed with the artwork and the integrity of the publishers at No greater joy ministries. A plus plus!! We got our children their own copies and they read them every day without suggestion. Highly recommended!! Worth every cent. -- Verified Purchase This is not a watered-down kids story book. This is a strong, Biblical presentation of chronological Truth from God's Word. It is great for kids, teens, and adults, and available in many languages. Awesome ministry tool. -- Verified Purchase The Pearls did a wonderful job on this book. We bought the original black & white version and our children read it many times before it finally fell apart. Since the black & white is no longer available, I purchased the color version. It has the same content that we love. It tells the chronological account of creation to the end times. We all enjoy reading it! My first choice is still the black & white. -- Verified Purchase --This text refers to an alternate Perfect Paperback edition.

One of their recent books, Good and Evil (Bible stories in Marvel comic format), has been published into 40 languages with another 60 translations soon to be ready for press. The Pearls also publish a 40 page bi-monthly magazine with a subscription of over 50,000. Needless to say they are prolific writers and public speakers. When he is not teaching the Bible or speaking to audiences on how to have a good marriage and obedient children he is teaching kids how to stick a bull's eye with a knife or hawk. Debi Pearl and husband Michael have 5 children and 21 grandchildren. Between them they have author 14 books and 8 booklets which combined have sold millions. Learn more about them and sign up for the No Greater Joy bi-monthly magazine at [NoGreaterJoy.org](http://NoGreaterJoy.org). Debi Pearl grew up during the 1960s at the height of the hippie revolution and the Jesus Movement. The forced draft due to the Vietnam War brought a sense of eternity to the youth, provoking them to seriously consider their souls. It was a time of a great move

of the Spirit of God. As a teenager, dressed in tie-dye tee shirt and long drooping peasant skirt, she stood on the highways and byways sharing the gospel and seeing miracle after miracle of God's amazing grace. She married her life mate, Michael Pearl, in 1971.

I wanted a Bible story book to keep my kids in bed while I did my devotions.....this did the trick! My kids are learning to have devotions with this book and I'm getting mine done without interruptions! I like that the stories are exactly as the Bible describes. Caution! It doesn't sugar coat any of the Bible stories....my daughter came to me later and said "Did you know Peter was crucified upside down?" We love this book and the kids even ask daddy to read it to them at night.

Excellent graphic novel. I already owned a copy of it, but ordered this one for a friend who is interested in getting started in reading the Bible, but wants to graphics to help him get a better grasp of it through visual applications. A great help to someone who hates reading to get a better understanding of the Bible on their first experience of it.

Excellent condition and came on time. Great for kids to learn and the images are amazing. My son loves it and learned a lot from this.

This is not a watered-down kids story book. This is a strong, Biblical presentation of chronological Truth from God's Word. It is great for kids, teens, and adults, and available in many languages. Awesome ministry tool.

It was a great gift idea for families. The color and pictures are vivid. It makes learning the Bible fun and exciting for all ages. Michael Pearl and all of his work in relaying the message of the Bible is awesome. Thanks!

Great book with pictures comic description from Genesis to Revelation. Kids like to read with illustration instead of plain text. I bought it for my son and he's interested to read in on daily basis.
