The Berenstain Bears Trick Or Treat (First Time Books)

Synopsis

This classic Berenstain Bears story is a perfect way to celebrate Halloween, all the while teaching children about the difference between right and wrong! Come for a visit in Bear Country with this classic First Time Book[®] from Stan and Jan Berenstain. It's Halloween and Brother and Sister can't wait to go trick-or-treating with all of their friends, but when someone in the group encourages the kids to play a trick, things don't go as planned. Includes over 50 bonus stickers!

Grade Level: Preschool - 2

Customer Reviews

As Brother and Sister Bear don their costumes to go trick-or-treating by themselves for the first time, they plan to avoid Miz McGrizz's spooky home. But during their Halloween outing, the cubs discover that appearances can be deceiving.

Stan and Jan Berenstain were already successful cartoonists for magazines and adult humor books when they began writing children's books. The first story starring the bear family, *The Big Honey Hunt*, appeared in 1962. Since then, more than 360 Berenstain Bears books have been published, and more than 300 million copies have been sold. What began as an idea sparked by their young sons' love of reading has become one of the best-selling children's book series ever.

Who doesn't love the Berenstain Bears?!?! It was a favorite of mine as a kid and now my kids enjoy them.

Good Book, my daughter made me buy every one for her and she reads them to me before bed. The lessons in these books should be mandatory reading for adults when they turn 21, it would make the world a more friendly place.

This is a perfect Halloween book for young children because it's not scary like most other Halloween books are. Also, it teaches a good lesson of acceptance (i.e., appearances can be deceiving). We are still reading this at bedtime at my house even though it's already Christmas time! This one will be a favorite for years, I think.

The nieces love this book so much we talk about Ole Miz Grizz year round! Like all Berenstain Bears books, it's a little long. And when it's requested for 14 nights in a row, it feels REALLY long. But the kids love it. The costumes are great, the intrigue is perfect - not too spooky!

I loved the Bernstein Bears as a kid and now my daughter loves them. If I remember correctly there is a small part of this story that has been altered possibly to modify it for smaller children, but to be honest these books have always been safe enough for all ages so in my opinion any altering wasn't worth it. In spite of all of that the book is charming and I will be buying the rest of these for my daughter.

A classic from my childhood, sharing it with my little one. Our 2 year old son was only lukewarm to this one, but I think the Berenstain bears may be a little advanced (long and wordy). Good lessons, good story and great illustrations. Will keep this in our Halloween rotation for many years.

The Berenstain Bears were always my favorite when I was little, so when I had kids, I couldn't wait to get some for them. I love how there is a lesson in each book.

This is a really cute book, the child the book was purchased for loves this bear family, which makes him read more, a very colorful fun book.
