Wonderful story promptly delivered...

I am presently preparing for the opening of a production of this play. The script I received was in excellent condition and contained all the information I required. I appreciated the prompt response to my order.

This play has several great scenes. But I expected more conflict between the characters. Mr. Green is quite pathetic and sad. The other characters burden of being a closeted gay seems dated for our time.

Purchased as a friend and teacher played Mr. Green in a local production (very well done). In excellent condition, fast receipt.

will be doing this show in santa rosa soon. great story.

Perfect!

This play met totally my expectations. I hope to be able to work with it in the near future. Thanks.

This little book, the published script for a play I am currently appearing in, was a real find! Inside are photos of Eli Wallach, the actor who originated the role, along with an interview with Wallach and the playwright, Jeff Baron. Top notch product!!
