Synopsis

Honor Bound: October 1942. At a secret rendezvous point off the coast of neutral Argentina, a small merchant ship delivers supplies to Nazi submarines and raiders. The OSS is determined to sabotage the operation by any means necessary. But one of the key saboteurs must fight his own private battle between duty and honor. Because he was chosen for a reason - to gain the trust and support of his own flesh and blood. A powerful Argentinian called "el Coronel." The father he never knew... Behind the Lines: World War II. On the island of Mindanao, the Philippines, a man calling himself "General" Fertig has set himself up as a guerrilla leader to harass the Japanese. Army records show that the only officer named Fertig in the Philippines is a reserve lieutenant colonel of the Corps of Engineers, reported MIA on Luzon. It's Marine lieutenant Ken McCoy's mission to sneak behind the lines and find out if he's for real. The Murderers: A cop is found shot dead in his home - is it connected to corruption in the narcotics division? A bar owner and his partner's wife are in the wrong place at the wrong time and are gunned down together - was it a mob hit? A beautiful, well-connected young woman dies an ugly death in her parents' mansion - was it accidental? It's up to Special Operations Division detectives Washington, Payne, and their crew to piece it together.

All three books included in this box set were extremely condensed, to the point they were almost more like well thought out screen plays and only shadows of their true stories. They were a bit of a disappointment for me but I am aware that this is because I'm a long-time, avid fan of Mr. Griffin's and knew exactly what was cut out to make these 400-600 page books fit into 3-hour readings. That being said, I bought the set as something to listen to on drives with my 13 year old son. He enjoyed them immensely and I was not driven nuts with rap music, so it was over-all a good bargain.

To much is left out because the book was abridged. I would like it unabridged so more background of the story was included.

WEB GRIFFIN GREAT PROGRAM

Can't wait for next one (alrrough mostly written by Griffin's son~~he's learning !) This word rquirement is starting to bug me!
